Dear [Sherry]:

### **Return, complete, and submit your application**

You're getting this message because you recently began an online application for health coverage through the Health Insurance Marketplace but were unable to submit your application because systems that we use to confirm your information were down temporarily.

To submit your application, login to your Marketplace account at [HealthCare.gov/marketplace](https://www.healthcare.gov/marketplace), or call 1-800-318-2596 (TTY: 1-855-889-4325). When you submit your application, we can determine if you qualify to get coverage through the Marketplace and help paying for health coverage and health services through:

- A new tax credit that can be used right away to lower your monthly health insurance premium costs
- Health plans specifically designed to lower your out-of-pocket costs

We recommend coming back between the hours of 8am-9pm Eastern Monday through Friday, and 9am-5pm Eastern Saturday and Sunday. We apologize for the inconvenience.
